

REMARKS

In response to the Election Requirement dated April 11, 2005, requiring election between:

Species I: Claims 1-9 directed to a fabrication method for multiple LCD panel models from transistor array substrates formed on a common substrate; and

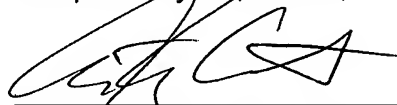

Species II: Claims 10-20 directed to a method for fabricating transistor array substrates on a common glass substrate,

Applicants elect Species I, Claims 1-9. Applicants have cancelled Claims 10-20, rendering the election requirement moot, in any case.

Conclusion

If the Examiner is unable to allow the application in the next Office Action and believes that a telephone interview would be helpful to resolve any issues, he is respectfully requested to contact the undersigned.

Respectfully submitted,
